PROFESSIONAL EXPERIENCE

Project Manager Intern- EON Reality, United States

September 2026 - Present

- Led a **5-member** team through a 15-week predictive market-entry engagement for EON, owning execution across 5 phases from data and modeling to live market validation.
- Served as primary client liaison with EON leadership, driving weekly stakeholder reviews and delivery of 6 core analytics outputs, including lead scoring, segmentation, experimentation, validation, and GTM recommendations.

Project and Account Management Intern - AI Trusted Advisors, United States.

May 2026 – August 2026

- Owned client relationships across **3** verticals (banking, retail, contact-center), driving evaluation and adoption of Spiral's AI platform.
- Led cross-functional coordination across Marketing and Delivery to accelerate client engagement, ranking **#1** in user tester acquisition with **150+** testers recruited.

Analytics Strategist - GDM (AgReliant Genetics) - Apprenticeship, United States

January 2026 - May 2026

- **1.3M-unit** projected increase in lifecycle sales identified using data-driven simulation modeling (Monte Carlo, 1,000+ runs), applying fast, structured problem-solving to an ambiguous, open-ended business question.
- **10** years of operational and sales data (2015-2025) analyzed via an interactive Streamlit dashboard, quickly learning a new tool and domain to deliver results on a tight timeline.

Business Development Manager - Kesar Technolab, Ahmedabad, India

March 2025 - July 2025

- **15+** net-new accounts sourced, qualified, and closed in 7 weeks - a fast, full-cycle sales motion from first outreach to onboarding.
- **30%** increase in visibility and 10+ new alliances closed through proactive outreach and negotiation, consistently meeting new-business targets.

Business Development Consultant - Focus Design, Ahmedabad, India

August 2024 - February 2025

- **\$850K** in revenue generated within 2 months by sourcing, pitching, and closing a net-new pipeline - a fast sales cycle that exceeded revenue targets.
- **350%** increase in LinkedIn impressions through a targeted engagement strategy; SOPs built to standardize onboarding and speed up future ramp-up.

Co-founder - HireDuo (Startup), Ahmedabad, India

August 2021 – August 2025

- Co-founded and scaled a startup from zero to **450+** successful placements and **45+** recurring B2B partnerships, building sales process, CRM workflows, and operations from scratch in an undefined environment.
- Owned every part of the sales and operations motion as a founder - sourcing partners, closing deals, and iterating processes fast with no existing playbook to follow.

Management and Marketing Lead - Zaas Studio, Bangalore, India

December 2023 - June 2024

- **20+** net-new clients acquired monthly through targeted outbound campaigns via Mailchimp, growing engagement via Instagram Insights & Canva.
- Grew brand presence by **100+** new followers in 10 days via Instagram Insights & Canva, alongside monthly client acquisition.
